BUILDING T-310 OPENS!

We are proud to announce that after several hundred hours of volunteer labor, restoration of the 800 square foot building was completed, and Building T-310 opened in the summer of 2001.

Spearheaded by Board Member Dennis D. Gordon, his wife Pauline, family members Scott, Damon, and Kert, and Alvin Richards, and with the help of many volunteers, the entire roof was replaced, as well as the windows, floors, and much of the interior of the building. The entire building got a new coat of paint, a sidewalk was added, and it looks great.

The community has generously responded with donations of labor and some of the materials necessary to complete the restoration.

Building T-310 has displays which will change periodically.

Our sincere thanks to the many people who so generously worked on this building, or donated materials to help make the opening of this building possible!!

BUILDING T-343

Building T-343 , the Sentry Box, has been renovated. When you visit us, note the original graffiti on the wall.

BUILDING T-316 UPDATE

Building T-316 is still in need of major renovation. The building contains approximately 20,000 square feet. When renovation is completed, it will be devoted to the history of America's military heritage. It will be the exhibit center for both the vintage military vehicle collection of the Northwest National Military Foundation and the rare World War I items of the National Doughboy Historical Society.

Under the supervision of board member Ted Kirshmann, the main portion of the roof was replaced before winter set in; however the porch roofs still need replaced. Major work remains on the interior of the building, including new floors, walls, ceilings, and windows.

When renovation of the buildings is completed, the Museum will be the largest recognized center for military history in both the Pacific Northwest and the Rocky Mountain regions.

Both buildings were constructed by the U.S. Fourth Infantry Regiment and the Civil Conservation Corps during the Great Depression, and were used by the Montana National Guard through the 1970's.

The Museum will be permanently housed at Fort Missoula, by special arrangement with the Montana National Guard.

Southgate Mall's History Days

This was the second year that the RMMMh participated in this annual event held at Southgate Mall. The two day event was held on March 2 and 3rd, 2002. A record number of people attended the event this year

The Museum displayed items from the CCC, including books, patches, newspapers, and other memorabilia.

\$\$\$\$ RAFFLE \$\$\$\$

As a fund raiser, we are raffling a 1839 Springfield Musket, converted to percussion, to support the ongoing work that needs to be done on Building T-316.

The drawing for the musket will be held at the Missoula gun show, August 9th –11th, at the Adams Fieldhouse. You need not be present to win, so be sure and get your tickets, available at the Mall during Memorial Day week, the July 4th event at the Museum, or the August gun show.

Other items that have been raffled in the past were three Civil War swords, and a pistol.

Past winners of items the Museum has raffled include : Charlie Crookshanks, and Gary Sorenson.

SAINT PATRICKS DAY PARADE ^^^^^^^^^^^^^^^^^^^^^^^^^^^^

Hayes Otoupolik's restored 1917 US Army Ambulance was the Museum float, pulled on Joe & Vi Schrage's flatbed trailer.

The parade was held on Thursday Mar. 14th, instead of the 17th, so two members of the New York Fire or Police force could be in Missoula as Grand Marshall's of the parade.
